

Parkside Perspective

Everything You Want in a Bank

Summer 2011

Life Remodeled

Parkside Credit Union was proud to donate and support the "Life Remodeled" project in Westland. "Life Remodeled" was a community effort where the City of Westland donated a house, which was torn down, rebuilt and given to a family in need. Parkside Credit Union employees pitched in to help with tasks such as picking up after the contractors, landscaping, running errands or cleaning rooms in a local school in preparation for free health, financial and educational clinics planned for the community.

The project was completed in just 6 days and we truly enjoyed the experience. It was physically and mentally challenging, yet extremely rewarding!
